Education

Mansoura University

2023 – 2028

Bachelor of Engineering - Computer and Control Systems Department

Mansoura, Dakahlia

Summary

Undergraduate Computer and Control Systems Engineering student at Mansoura University and passionate Front-End Developer. Skilled in building responsive and interactive web applications using React, HTML, CSS, and JavaScript. Enthusiastic about transforming ideas into functional, user-friendly digital experiences while continuously exploring new technologies to enhance skills and stay up to date with industry trends. Motivated to design applications that make a positive impact and solve real-world problems.

Experience

Digital Egypt Pioneers Initiative (DEPI)

Nov 2024 – May 2025

React Front-end Developer Intern

Mansoura, Dakahlia

- Built and styled responsive web applications using React, JavaScript, TypeScript, HTML, and CSS, ensuring optimal user experience.
- Gained hands-on experience with Git and GitHub for version control and collaboration.
- Explored code style, patterns, and best practices to write clean and maintainable code.
- Developed a solid understanding of functional documentation and unit testing to improve code reliability.
- Worked with Bootstrap to create visually appealing and mobile-friendly interfaces.

Projects

Tazkera – Islamic Lifestyle App

Mar 2025

[Live Demo](#) | [GitHub Repo](#)

- Developed the user interface for Tazkera, an Islamic lifestyle app that provides prayer times, a digital Moshaf, progress tracking, and daily supplications.
- Collaborated with the team using Git and GitHub for version control, improving my ability to work in a structured development environment.
- Designed and implemented responsive UI components using HTML, CSS, and JavaScript, ensuring a smooth and user-friendly experience.
- Enhanced my teamwork and communication skills by coordinating tasks and resolving development challenges with team members.

Elzero - Template Three

Mar 2025

[Live Demo](#) | [GitHub Repo](#)

- Developed a responsive and modern web template, focusing on clean UI design.
- Implemented HTML & CSS best practices to create a structured and maintainable layout.
- Styled UI elements to ensure a polished and user-friendly experience.
- Used Git & GitHub for version control, improving my collaboration and workflow management skills.
